

Welcome to Spirit of Freedom Republican Women. The Statue of Liberty is the symbol of our club. She celebrated her centennial in 1986, the year of our club charter. We believe her symbolic appearance reflects our motto. *"You are called to freedom"*

We strive to preserve the freedom given to us by God, implemented by our Founding Fathers, and embodied in the constitution.

We believe in strict adherence to the Declaration of Independence and the U.S. and Texas Constitutions.

We believe in limiting the expanse of government power.

We believe in the sanctity of human life, created in the image of God, which should be protected from fertilization to natural death.

We believe in self-sufficient families, founded on the traditional marriage of a natural man and a natural woman.

We believe in a free enterprise society unencumbered by government interference or subsidies.

We believe in restoring American sovereignty and leadership, and we honor all of those that serve and protect our freedom with peace through strength.

As a club, we strive to put God first, and seek His favor in all that we do. We want to provide a welcoming atmosphere as we host informative speakers and candidate forums. We believe that we have a voice in the direction of America's future. We would love for you to join your voice with ours. Together we can make a difference. We can influence our nation, our state, and our community.

Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom.
